US\$3.4m in total was drawn at the end of the September 2014 Quarter. Cokal have approached Blumont about scheduling the payment of the remaining US\$0.6m but have been advised that the timing is uncertain therefore the facility is considered fully drawn. The loan is repayable within 3 years, interest is 5% pa payable quarterly in arrears and can be capitalised and repaid at maturity.

On 31 March 2014 Platinum Partners made available a bridging loan for US\$3.5m. The loan was drawn in full in April 2014. ASX release dated 31 March 2014 provides disclosure of the loan and ASX release dated 9 April 2014 advises of the subsequent drawdown.

On 11 August 2014 Platinum Partners made available a bridging loan for US\$5.65m. The loan was drawn in full in August 2014.

On 30 January 2015, Platinum Partners agreed to extend the Bridging Loan. The total drawn down under the facility is US\$10,065,000 (including fees and costs) as at the date of this release. The December 2014 Quarterly Activities Report released dated 30 January 2015 provides disclosure on the loan.
